For both new designs and the manufacture of steel and stainless steel products, pressure vessels, fans, machinery and equipment to existing plans, you have chosen the right partner in Maschinenbau Lohse GmbH.

We are working individually to your ideas or plans, design with the problem in mind, manufacture to your specifications, from prototypes to serial production.

Your ideas are in the right hands!

Innovation, a high degree of technical know-how and many years of experience of committed employees will allow us to realise and supply your products within the shortest possible time.
